

MEERWISSEN  
African-German Partners  
for Ocean Knowledge

# WE BUILD STRONG PARTNERSHIPS FOR MARINE SCIENCE THAT MATTERS.

MeerWissen aims at improving the conditions for knowledge- and science-based policy-making for the conservation and sustainable use of the ocean in selected African countries by ...

## STRENGTHENING

the capabilities of African partners in marine research and building knowledge through African-German partnership projects

## STIMULATING

dialogue and the transfer of knowledge between marine researchers and policy-makers

## FOSTERING

digital solutions, innovation and the use of new technologies

MeerWissen is an initiative of the German Federal Ministry for Economic Cooperation and Development (BMZ) and supports partnership projects between African and German marine research institutions.
